

TLCD Architecture is seeking a resourceful, self-motivated, and enthusiastic intern looking for hands-on experience in architecture or interior design. Our interns gain exposure to many project types and phases while working closely with our talented design staff.

ABOUT THIS ROLE

- Works closely with architects, interior designers, and firm principals to develop visual representations of design proposals and assist in preparation of project documents
- Collaboration with project team members to resolve technical and design related issues
- Participate in consultant coordination meetings
- Participate in on-site job walks
- Learn application of design education to real-world project objectives
- Full or part time available. Typically, a minimum of 2 months from early June through August. Duration will be negotiated with selected intern.
- Must be able to work onsite, hybrid and attend site visits
- Compensation \$20.00 per hour

ABOUT YOU

- Pursuing a degree in Architecture or Interior Design with a minimum of 3 years of education and an emphasis in Architecture or Interior Design
- Communicates and works professionally
- Detailed oriented and able to work in a team environment
- Strong graphic, visualization, and communication skills to effectively communicate design ideas and questions
- Strong organizational and problem-solving skills with the ability to multi-task and follow instructions
- Understanding of industry standard design software including Revit, Adobe Creative Suite, and Twin Motion or similar
- Previous internship, work experience or leadership experience preferred

WHY TLCD ARCHITECTURE
